FUCON XIAMEN FUCON ELECTRONICS CO.,LTD									Tolerance			Part. Number			Size			mm								
									0,000						PCT-2.5B						1:1			Draw. Date		
									0,00			± 0,05														
									0,0			± 0,10														
									0,			±														
									ANGLE (角度)			±1°									A0					
Technical: 8.7 29.8 Ø4.3 8.7 34.3 14.6 29.0 39.5																		Part No.			PCT-2.5B					
																		Type			Fast Connetors					
																		Rated Voltage			250V					
																		Rated Current			32A					
																		Cable range			Solid: 0.08-4 sq.mm					
																					Soft:0.08-2.5 sq.mm					
																		Stripping length			9-11mm					
																		Temperature			-20-105°C					
																		Heating			No more than 45°					
																		Plastic			NYLON					
																		Contact			Brass					
																		Spring			Stainless stell
